East Knox Local School District Office of the Superintendent

20 July 2016

Dear Parents, Students and Community Members,

I hope your summer has been as exciting as we have experienced at East Knox! This has been a summer of the least teaching staff turnover at the Elementary that we've seen in the past five summers. We have several new positions at the Jr/Sr High School (which is still below the past five years as well) including three new High School Language Arts teachers and a new Spanish teacher. Our Jr/Sr High Administration has changed as well. Mr. Alan Keesee is hired as our new Jr/Sr High Principal. Mr. Aaron White is our new Assistant Principal/Athletic Director (I refer to him as the AP/AD not to be confused with the iPad!). You can read more about these two within our newsletter. Another critical employment hire this summer is Guidance Counselor Ms. Stephanie Whitesel as well as two new secretaries working in the Guidance Office area. All three Guidance individuals are already working in order to ensure we start the school year as smoothly as possible.

While I'm thinking momentarily about the iPads. As you may recall, Elementary students did not take iPads home last year which meant parents saved the \$50 premium. It was successful to the point that Jr/Sr High students will not take the devices home this year either, thereby saving those parents the \$50 premium as well.

In case you did not hear the news, all schools in Knox and Morrow County Schools that were part of the MOAC gave notice of our intent to leave and form a new athletic league. The only true difference in make-up of the former blue division is the addition of Danville and departure of Elgin. For at least this year, the East Knox football team hosts Danville as our first game of the season on August 26th at 7:00 PM. Hopefully, we'll be able to return in the next year or two to the tradition of playing them as our last game of the season.

Jr./Sr. High School Assistant Principal and Athletic Director

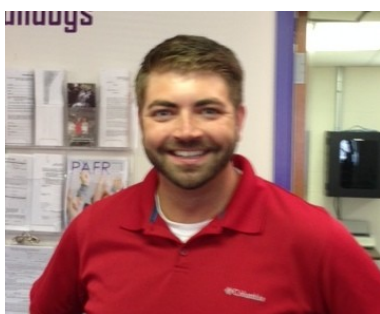

Aaron White comes to East Knox with 7 years experience within a variety of classroom and coaching settings. For the last 5 years, he has served the Mount Gilead Exempted Village with work at both The Tomorrow Center and Mount Gilead Middle School.

While he attended Ohio University for his undergrad, he rowed varsity for the Ohio University Men's Crew Team and was president of the Ohio University Skydiving Club. Aaron then obtained his master's degree in administration from Ashland University in 2014.

His wife, Tara, is also an educator and coaches for Johnstown-Monroe Local Schools. They have one son, Mason, who will turn three in October.

In addition to his educational work, Aaron is also highly involved with the Freemasons of Ohio and Shriners of North America. He has served both of these organizations for over a decade.

Aaron is extremely excited to join the team at East Knox and hopes to make this his home for many years to come. Go Dawgs!
